

#Project leader

Do you understand the art of good project management in ICT?

#EXPECTATIONS

- ✓ You take responsibility for our project planning
- ✓ Organising output
- ✓ Managing and facilitating the project team
- ✓ Monitoring progress and project risks
- ✓ All this in combination with the provision of information and maintaining the support of all our stakeholders

#STRENGTHS

- ✓ Togetherness
- ✓ Methodically and systematically reaching the desired results
- ✓ Respond to unexpected events
- ✓ Offer alternatives when needed
- ✓ Regulate, steer and guide
- ✓ Commitment to the organisation, the people and the results
- ✓ It's about the process rather than the content

#QUALITIES

- ✓ Persistence – acting with conviction
 - ✓ Positive – thinking in solutions
 - ✓ Flexibility – guts and determination
 - ✓ Humour - enthusiasm
 - ✓ Hands on mentality – 24/7
 - ✓ Overview – process focused
 - ✓ Result oriented – people oriented
 - ✓ Leadership - experience
-
